Introduction

This report is for use by any school that buys into the Derbyshire Property package (DPP). It displays a list of all jobs, both in progress and those charged and completed by DCC Property Services.

This is a display-only report with no facility to drill down further.

To view details such as the DPP brought forward balance, annual contribution amount, actual expenditure and the remaining balance to spend, run the S_ALR_87013611 report.
