Welcome to the Derbyshire County Prevent newsletter!

For those who I haven't met yet, I am Joie Cain, the Prevent Regional Delivery Officer for Derbyshire County.

I'm here to support schools to deliver the Prevent duty in any way that I can. If you'd like to know more, feel free to get in touch for a chat.

I send out a quarterly newsletter (at minimum) with updates and resources, as well as upcoming training links and dates to remember.

Welcome to a new school year and we hope you all had a lovely and relaxing summer break!

If you are a secondary school who has not had in-person Prevent training in two years, please reach out.

If you are a secondary school and I have not provided Prevent input to (at least) years 8 and 9, please let me know as soon as possible via email!

These sessions cover all of the important issues that staff need to know for Prevent (What is Prevent?, What is radicalisation? Case study example, Common signs of vulnerability & radicalisation, Current threat level & the main risks from terrorism & extremism).

The session is suitable for all education sector organisations but is particularly useful for smaller organisations who may struggle to provide a more detailed Prevent input to smaller staff cohorts.
