Dear Colleague

### **Ofsted's Inspection Data Summary Report (IDSR)**

The inspection data summary report (IDSR) has been updated to include 2020/21 exclusions data and contextual information, based on January 2022 census data. The IDSR now shows phonics screening test data for 2022, Key stage 1 & 2 attainment data for 2022, and Key stage 2 progress data for 2022.

At this time, Ofsted have not updated stability data and disadvantaged pupil group data nor added new multiplication table check data. These will be included in a future update.

Access your latest [Ofsted | Inspection Data Summary Report](#) released 19 October 2022.

For further information please see the [IDSR guidance on the GOV.UK website](#).

The recent [IDSR Newsletter September 2022](#) also contains important information about the redeveloped IDSR, the upcoming release dates, the new news page on their website and other key information.
