

Submit an adjustment - child increased funded hours

This document provides step-by-step instructions on how to submit an adjustment within a previous funding period, where the number of funded hours have increased, after the portal has closed for the submission of actuals.

Adjustments must be created in the adjustment section of the funding period in which the change occurred. All adjustments must be submitted in a timely manner in line with the dates specified on the funding calendar for the relevant funding period, failure to do so will result in non-payment.

Adjustments must be calculated and submitted as a <u>total number of hours</u> rather than the weekly hours.

Payments for adjustments are included with Actuals payments. Please refer to the funding calendar for adjustment payment dates.

<u>Important</u>: The local authority does not fund part-weeks. Therefore, adjustments should be calculated and submitted in full weeks.

Example of calculating an adjustment:

Child has increased from 10 hours to 15 hours per week for two weeks of the funding period, an increase of 5 hours per week.

5 hours multiplied by 2 weeks = 10 hours to be claimed as an adjustment.

Multiple adjustments for the same child

Adjustment claims do not get overridden by new entries. They form a timeline of funding claims and changes for individual children. Should there be multiple adjustments for a child in the same funding period, the changes should be submitted individually and reflect the change to the funded hours claimed since the last adjustment was made.

 Refer to guidance 'Adjustments basic principles - when to submit a claim' and 'View payments and previous claims' for further information.

Please note, where the portal states 'term' this refers to the relevant funding periods.

STEP 4: SELECT THE FUNDING TYPE

Under **Funding Type** select the headcount you wish to submit data for.

A list of children submitted during actuals will be displayed.

STEP 5: SELECT THE CHILD

Select the name of the child for whom the adjustment will be made.

To select a child, hover over the child's name and click when it is <u>underlined</u>.

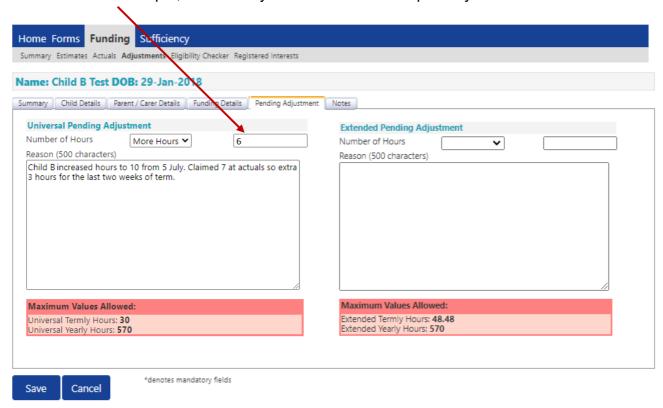

STEP 6: SELECT PENDING ADJUSTMENT

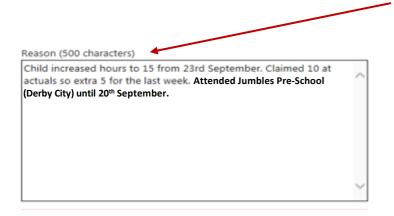

The following screen will appear.

Where relevant, options for both Weekly Funded and Working Family hours will be displayed. Take care to select the correct option, both universal and extended adjustments should be sent at the same time if necessary.

Select the **Number of Hours** drop down box and choose **More Hours**.

In the next box, put the number of funded hours increased multiplied by the number of weeks the adjustment is for. For example, increase by 3 funded hours multiplied by 2 weeks = 6 hours.

In the **Reason** box, give a detailed account of the change, including:

- date of the change to hours
- hours per week the change is for
- where applicable, the previous provision the child attended
- if the child moved from an out of county setting, please also state the local authority for the previous setting.

Without this information Financial Services will be unable to process adjustment claims and funding for the adjustment will be delayed.

When the adjustment for both universal and extended funding (if applicable) has been completed, click **Save.**

<u>Important</u>: if the adjustment exceeds the number of available hours for the funding period or for the eligibility code, the system will show an error message, and you will be informed of the problem.

Examples of common error messages.

The following errors need to be fixed before the record can be saved: Extended Adjustment Number of Hours has been entered, must also enter the 30H Eligibility Code (Funding Details Tab)

*denotes mandatory fields

Correct the error and click Save.

Once saved, the screen will revert to the list of children attending that funding period.

Repeat steps 4, 5 and 6 for any other children requiring an adjustment.

STEP 7: SEND CLAIM & SIGN OUT

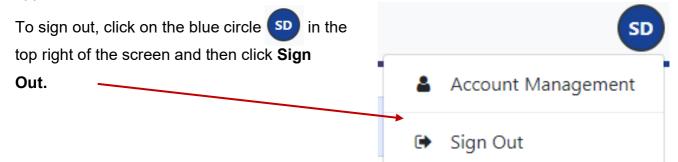

Data quality is vital, the local authority will make funding payments using the information submitted on the provider portal. It is the providers responsibility to ensure data is accurate.

Once all adjustments have been submitted, click **Send Claim.** Please wait, as this may take a while to go through.

You will see a green tick, and an icon indicating Submission Successful when your claim has been submitted.

This indicates a claim has been submitted to the local authority for checking before the claim is approved.
